Re: *Bear Box LLC, et al. v. Lancium LLC, et al.*,
C.A. No. 21-534-MN

Dear Judge Burke:

The parties in the above-referenced matter respectfully request the scheduling of a discovery dispute teleconference.

The disputes at issue have been the subject of verbal and written communications between the parties on multiple occasions, including a telephonic meet-and-confer on February 28, 2022. The following counsel, including at least one Delaware counsel and at least one Lead counsel per party, participated in the February 28, 2022 teleconference:

Delaware Counsel:

Andrew Mayo of ASHBY & GEDDES for Plaintiffs
Chad Stover of BARNES & THORNBURG for Defendants

Lead Counsel:

Benjamin Horton of MARSHALL, GERSTEIN & BORUN for Plaintiffs
Mark Nelson of BARNES & THORNBURG for Defendants

The disputes requiring judicial attention involve:

- 1) Defendants' refusal to produce valuation, transactional, and financial documents related to valuations, transactions, investments, diligence, and current and expected revenue, costs, and profits for datacenter facilities in Abilene, TX and Fort Stockton, TX.

Additionally, the parties note that defendants have filed a motion to strike and the parties filed a request for a hearing in connection with that motion (D.I. 115). Plaintiffs would like both the motion to strike and motion to compel heard at the same time. Defendants believe the issues in the two motions are separate and could be heard separately, at the Court's discretion.

Respectfully,

/s/ Andrew C. Mayo
